

Year 4 Newsletter

Spring 1—2024/2025

Notices and Reminders

Your child's PE day is on **Friday**

Please ensure that your child's PE kit contains:

- A Mytchett logo PE t-shirt or a plain t-shirt in the house colours
- Black shorts
- Black tracksuit top/ Grey Mytchett hoodie
- Black tracksuit bottoms
- Trainers (that fit!)

Please remember to take out your child's earrings on PE days. Our school website shares guidance on the wearing of jewellery.

Reading

This half term the children pick up as Tommo and the family are looking for Big Joe as he mysteriously vanished. Along the way, the children shall be using their inference skills to answer questions about how characters are feeling, as well as finding evidence to back up our thoughts and ideas – an important skill to develop.

Writing

In writing the children will be looking at the story of Cinderella. Their main focus in this unit will be on writing a detailed setting description using precise vocabulary. The children will then move onto The Royal Wedding. The focus in this unit of work will be on fact writing, ending with the children writing a newspaper report about the wedding.

Key dates

Mon 6th Jan

Children return to school

Fri 17th Jan

INSET Day

Tues 4th Feb

Choir at Young Voices concert

Wed 5th Feb

Year 3&4 Curling Festival

Thurs 6th Feb

FFMPS Spring Disco (details TBC)

Fri 14th Feb

School breaks up for half term

Maths

In maths the children will be using and applying their skills in multiplication and division. They will be learning different formal and informal methods to help them, as well as how to apply the different facts that they know to help them. In addition, they will be continuing to develop their knowledge of times tables.

**MULTIPLICATION
DIVISION**

Science

In science this half term, the children will be learning all about the different states of matter around us and how the way these materials are structured give them different properties. They will be learning all sorts of technical vocabulary, so feel free to quiz them on what they've done!

Geography

In geography the children will learn how continents were formed, beginning with Pangea. The children will be introduced to latitude and longitude. We will create simple sketch maps and learn about compass points and grid references. We will look in detail at the continent of Asia.

Art

In art this half term, the children will be practicing their painting skills by creating and changing tertiary colours, tones and tints. Our focus will be on Georgia O'Keefe, an American artist, who was the first female in the modernist art movement. They will then be recreating one of her paintings and then creating their own work in her style, using the skills they have learned.

PE

In PE this half term, the children will be developing their flexibility, strength, technique control and balance while working through the gymnastics program. Each week they will be taught how to safely master different techniques such as rolls, shaped head stands and balancing positions.

Music

In music this half term, the children will be learning to play the recorder. They will learn several different notes and combine these to play along to a variety of music genres including reggae, soul and R&B.

P.S.H.E.

In PSHE this half term, the children will be learning about how we grow and change as we get older. They will be looking at some of the physical and mental changes that they will experience. They will also learn about ways that they can develop independence, both at home and at school, through their decisions and choices.

French

In French this half term, the children will be learning how to talk about time, as well as learning the days of the week and months of the year.
