

Please practise your mental maths challenge outside of school. You can practise at home, on the way to school, at the swimming pool or anywhere else you choose!

An adult in school will regularly check your learning.

Bronze: For being able to count up in steps of 2, 5 or 10 without error or long pauses or looking at the card (children may self-correct). When you achieve bronze, you will receive a bronze sticker.

Silver: For being able to able to count on in steps from a given multiple without looking at the card, e.g. when testing on the 5s: 15, 20, 25, 30... When you achieve silver, you will receive a silver sticker.

Gold: For being able to say what number comes after/before a given multiple of 2, 5 or 10 without looking at the card, e.g. which multiple of 5 comes after 25? Which multiple of 2 comes before 18? When you achieve gold, you will receive a gold sticker.

When you have achieved your bronze, silver and gold for counting in 2s, 5s and 10s, you will receive a special certificate and badge in assembly!
